## Culture Project Guidelines

Choose and research one of the aspects of culture. Create a product demonstrating knowledge about the chosen aspect.

1. You may work alone or in a group. No more than three students to a group. **NO EXCEPTIONS – DON'T ASK**
2. Everyone in the group will receive the same grade so consider this as you choose who to work with.
3. All groups will create a product and present it. A large portion is based on creativity and validity. This is a major grade. Take time and show pride in your work. DUE DATE \_\_\_\_\_
4. Each person/group will choose a culture.
5. Cultures can be based on country or subculture. Examples: Chinese culture or Amish culture
6. After picking a culture, an aspect must be chosen. Choose only one aspect. No two groups will have the same culture and aspect. Examples: Chinese government or Amish marriage.
